**Lost for answers?**

**We have down-to-earth explanations.**

Many people don't join their retirement plan because the answers to their questions leave them feeling lost. That's why we don't sound like we're from another planet. You'll get simple answers to:

**Why do I need to save?**

**Why is my retirement plan a great way to save?**

**How much money should I save?**

**How can I afford to save?**

## Fill in these inner spaces

To get started, write down three reasons why you haven't joined your plan below:

# Why do I need to save?

Even though retirement may be a long way off, saving for it now can have far-reaching effects. Why? People are living longer and healthier lives because of medical advances and awareness of health issues. This means you may spend 25 or more years in retirement.\* So your money needs to last longer, too.
